

Selection Guide Displays and Converter

DEDX11567, DEDX11568,
DEDX11569, DEDX11570

Multi function counters with 2 presets,
tachometer, frequency meter, timer
2 relay outputs and serial RS 232 / RS 485 interface

DEDX11567: Display only
DEDX11568: Counter with analogue output +/-10V and 0/4-20mA
DEDX11569: Counter with 2 presets and transistor outputs
DEDX11570: Counter with serial RS232/RS485 interface

DEDX11564

High-Speed counter with relay outputs and serial Interface

DEIX11564, DEIX11567,
DEIX11568, DEIX11570

SSI displays for absolute encoders

DEIX11564: Display only
DEIX11568: With analogue output +/-10V and 0/4-20mA
DEIX11569: With 2 presets and transistor outputs
DEIX11570: With serial RS232/RS485 interface

DEIX11564

SSI display with relay outputs and serial interface

DEAX13564, DEAX13567,
DEAX13568, DEAX13570

Process displays with dual analogue input

DEAX13564: Display only, 6 digits, LED 15mm high
DEAX13568: With analogue output +/-10V and 0/4-20mA
DEAX13569: With 2 presets and transistor outputs
DEAX13570: With serial RS232/RS485 interface

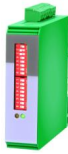

DEAX11564

Process display with relay outputs and serial interface

Selection Guide Displays and Converter

DKDZ31432

Monitor for direction of rotation and standstill

DCDZ31482, DCDZ31488,
DCDZ31489

Monitor for speed, direction of rotation and standstill

DCDZ31482: Monitor with 3 output relays and analogue output

DCDZ31488: Monitor with analogue output, no output relays

DCDZ31489: Monitor with 3 output relays, no analogue output

DKPU31432

Universal level converter TTL/RS422 <=> HTL

DKGV31432

Dual encoder splitter and switcher

DKGV31682, DKG31683,
DKGV31602, DKG31603

Impuls splitter for incremental encoder with 4 or 8 output channels

DKGV31682: 8 outputs

DKGV31683: 4 outputs

DKGV31602: 8 outputs, total electrical isolation between input, output and powersupply

DKGV31603: 4 outputs, total electrical isolation between input, output and powersupply

DKFU31474, DKZU31474,
DKIV31473, DKIP31473

Converter

DKFU31474: Converter frequency => analogue / serial

DKZU31474: Converter incremental count => analogue / serial

DKIV31473: Converter SSI => analogue / serial

DKIP31473: Converter SSI / RS232 => parallel

DCFM31482

Impuls and frequency multiplier
